## POST PRODUCTION RUNNER

## PROFILE

I'm a soon-to-be university graduate and aspiring colourist who while undertaking my studies has been a successful freelance video editor and colourist working for a multitude of Manchester-based production companies. This has given me experience in working to deadlines and problem-solving in client-facing roles. Much of my work has also been entered into film festivals.

## WORK EXPERIENCE

### Post Production Runner Internship

Picture Shop Manchester

January 16th-20th 2023

- I undertook an internship as a post-production runner where I was able to deepen my understanding of the post-production pipeline as well as learn to undertake the responsibilities of a post-production runner. The company were very happy with my performance during the internship.

### Video Editor and Colourist

MADE BY BOONE

Multiple Projects between 2022 and 2023

- I edited and colour-graded several medium-budget music videos for Manchester-based production company MADE BY BOONE. I utilised my technical skills to create a striking visual look for the videos that pleased the client and realised the director's vision.

### Social Media Content Editor

CharityRight

February-May 2023

- I edited and co-ordinated the post-production of promotional content for Bradford-based Charity *CharityRight*. I used my knowledge of editing software to deliver content with a range of delivery requirements all within a set deadline.

### Video Editor

Conductr LTD

February 2024

- I handled post-production for Conductr's staff training videos. I was responsible for delivering the finished products to a specific deadline, liaising with the client and offering technical solutions to the feedback I was given.

### Customer Team Member

CO-OP Food

October 2021- January 2023

- Working as a customer team member allowed me to gain experience in delivering quality service to customers as well as positively representing a brand.

I consent to you keeping my details on file and distributing for employment services
